Reef Encounter
WEEK2-WEEK3

Action5
- Updated action 5 so you can remove a shrimp.
- Once removed it returns to your supply and Action 5 is disabled.

Action8
- You can now exchange a larva cube that you own for a polyptile of the same color.
- Once you run out of larva cubes then action 8 is disabled.

Action1
- You can now eat coral and a shrimp
- Then the number of shrimp eaten is displayed
- The number of polyptile - 4 is displayed in your parrotfish

openSeaBoard
- Displayed the 5 open seaboard blocks dynamically
- Have it set so that a random image is displayed each time.

Dominancetiles
- Now displayed dynamically

Action10
- Displays stuff for action10 and adds corresponding larva to larva and tiles to tiles.
